

## **Appendix C: PRI's PAA activities 1998-2003**

Stephen Matthews organized each of the following PAA GIS-related workshops

1. May 2003 post-conference workshop on GIS and Demography in **Minneapolis, MN.**

PRI staff included Stephen Matthews, Michelle Zeiders and Jason Smith in partnership with staff at the Minnesota Population Center including Petra Noble, Cathy Fitch and Jonathan Schroeder. *Approximately 22 attendees (3 others enrolled but did not show)*

2. May 2002 pre-conference workshop on GIS and Demography in **Atlanta, GA.**

PRI staff included Stephen Matthews, Michelle Zeiders, Steve Graham and Jason Smith with guest presenter Dr. Paul Voss, Wisconsin. *Approximately 25 attendees*

3. March 2001 pre-conference workshop on GIS and Demography in **Washington D.C.**

PRI staff included Stephen Matthews, Steve Graham, Jim Detwiler, Michael Stout with guest presenters Dr. Ned Levine (Nevine Associates) and Dr. David Wong (George Mason University). *Approximately 25 attendees*

4. March 2000 pre-conference workshop on GIS and Demography in **Los Angeles, CA.**

PRI staff included Stephen Matthews, Jim Detwiler, Karen Hayslett-McCall in partnership with Alice Hagen at the Applied Population Lab/CDE, Wisconsin *Approximately 45 attendees (there were two workshops with the afternoon section being more advanced and targeting a different audience)*

5. March 1999 pre-conference GIS Workshop in **New York City, NY.**

PRI staff included Stephen Matthews, Jim Cameron, Christian Calienes in partnership with staff of the Spatial Analysis Core, Carolina Population Center including Stephen Macgregor and John Spencer. *Approximately 25 attendees*

6. April 1998 pre-conference GIS Workshop in **Chicago, IL.**

PRI staff included Stephen Matthews, Jim Cameron, Christian Calienes in partnership with staff of the Spatial Analysis Core, Carolina Population Center including Stephen Macgregor and John Spencer. *Approximately 25 attendees*

Matthews has been asked by Stephanie Dudley of the PAA to organize a GIS Workshop at the 2004 PAA in Boston, MA in April, 2004.
